

BHARANI ENGINEERING CONSULTANCY

LANGUAGE OF ENGINEERS

ABOUT US

Incorporated in 2024, **Bharani Engineering Consultancy** (An ISO 9001: 2015 Company) is a privately owned, independent engineering firm committed to delivering innovative and reliable solutions. We proudly serve a diverse global customer base across the **aerospace, transport, energy, and medical industries**. With a strong focus on quality, precision, and customer satisfaction, our consultancy blends technical expertise with forward-thinking approaches to meet the evolving needs of modern engineering challenges.

WHAT WE DO / WHY YOU CHOOSE US

- With strong engineering expertise and proven capabilities, we deliver high-quality products and smart solutions designed to meet the fast-changing needs of our customers.
- We deliver customized, ready-to-install solutions tailored to client specifications. Our products are assembled into production-ready kits, client-labelled, and designed for seamless on-site installation.

CORE VALUES

"Customer First" – Always, we prioritize our customers' needs in every decision and solution.

"Trust You Can Rely On" - We build strong, dependable relationships through honesty and integrity.

"Excellence in Every Interaction" - We strive for the highest quality and professionalism in all our actions.

WE – EXPERT SOLUTION FOR COMPLEX COMPONENT INTEGRATION

ONE-STOP SUPPLIER – Delivering all products and services in one place for simplified procurement and time savings. To managing multiple customers and their varied requirements, you work with BEC as a single partner who helps you generate more business with less effort.

BUDGET FRIENDLY & HIGH VALUE– With our advanced manufacturing facilities, service centres, and trusted sub-contractors, we provide cost-effective solutions without compromising on quality. This enables us to offer competitive pricing and exceptional service to airline operators and MROs worldwide.

BHARANI ENGINEERING CONSULTANCY delivers engineering solutions to customers globally and the domestic Indian home market. Specialising in aircraft tooling and Ground Support Equipment.
